

You got me?

Someone is harassing me right now.

Can you stand with me while this is happening?

If I ask, would you text BART Police 510.200.0992, use the BART Watch App, or contact the train operator for me?

Train operator intercom is by the exit door on new 3-door train cars or below the train number on the 2-door train cars.

Our Story of Courage

**NOT ONE
MORE GIRL**
